

## Best Photo Kiosk: HiTi Mini Photo Kiosk P510K

HiTi P510K photo printer provides the most practical standalone professional photo-finishing solution by giving photographers a smallest integrated roll-type dye-sublimation Mini Photo Kiosk P510K. P510K has a large 10.2-inch TFT LCD touch screen, giving great flexibility with its solid chassis, but it weighs only 18kg. It can either be operated through a computer or standalone by shop customers.
