Virtually indestructible, rugged Supreme Series has innovative features for unmatched strength and durability. It's O-ring sealed, waterproof (up to a depth of 16.5 feet/5 meters), airtight and built to withstand the most extreme conditions (-40 °F/-40 °C to 203 °F/95 °C). Supreme is great for airline travel, with an automatic pressure equalization valve and ability to support up to 265 lbs./120 kg. of exterior weight. Anti-slip rubber feet and a solid carrying handle offer extra durability. Thick, quick-release latches lock in place and steel-reinforced lock holders are great for use with padlocks for added security. Supreme has dense, customizable hexagon-shaped foam for an extremely tailored, custom fit for gear.

DESCRIPTION

- Water, air and dust proof up to 5 meters
- Undergoes unbelievably stringent quality testing to test weather resistance
- Resistant from -40 °C to +95 °C / -40 °F to 203 °F
- Supports up to 120 kg / 265 lbs of exterior weight
- Automatic pressure equalization valve
- Easy-locking heavy-duty latches
- Steel-reinforced padlock receptacles
- Customizable die cut foam
- Anti-slip rubber feet
